

• FREQUENTLY ASKED QUESTIONS •

Q: My child does not know anything about hockey. Is this program too competitive for beginners?

A: This League is an ideal place for your child to be exposed to the sport, and taught the fundamentals, in a very welcoming environment. The coaches, staff and veteran families go out of their way to help de-mystify the sport to new families. All players are guaranteed equal ice time through USA Hockey rules and regulations.

Q: What are the costs involved?

A: PCYHL is a very cost-effective program offering several options for defraying costs. PCYHL offers rental equipment to all players excluding personal protection items. Additionally there is a payment plan option for the season and the Pepsi Coliseum Pro Skate Shop has reasonably priced used and new skates and all players receive a 10% discount on all purchases.

Q: I have heard that hockey is a huge time commitment, requiring a lot of travel and extra expense. Is this true?

A: PCYHL is a House League which means it involves local inter-league play. Practices are held at the Pepsi Coliseum and games rotate between the Pepsi Coliseum, Fishers Forum, Carmel Ice Skadium and Perry Park. With one game and one practice per week, families find that the time commitment is no greater than other sports.

Q: Why choose PCYHL?

A: PCYHL is a program geared to learning and seeks to develop young players. There is a long history of great hockey associated with PCYHL and the Indiana State Fairgrounds. Your player will also benefit from the PCYHL's close relationship with the Indiana Ice and their players and coaches.

Once a member of the PCYHL, your child will be eligible for free admission to all Indiana Ice home games and "free" Friday nights that include free learn-to-play sessions, \$5 stick & puck, and free public skating admission.

• STEPS TO GET INVOLVED •

1. Pre-register for the 2007-08 NOW with your \$60 fee for Mites through Bantams, or \$40 fee for Mini Mites, and completed application. You may stop by the Pepsi Coliseum Pro Skate Shop or call us at (317) 927-7622 and we will mail out your registration form.
2. By pre-registering before the October 6th Opening Day, you will receive \$15 off of your season fees for Mites through Bantams and \$10 off of your season fees for Mini-Mites. The remainder of your fees will be payable on October 6th, or you may make arrangements for 5-\$60 monthly fees to be charged to your credit card for Mites through Bantams or \$40 monthly fees for Mini Mites.
3. Go online to www.usahockey.com from home or at the Pepsi Coliseum Pro Skate Shop and register your child with USA Hockey. This registration includes a \$35 fee that covers insurance for your player while on the ice as well as a subscription to USA Hockey magazine.

free Friday night skate

free learn-to-play hockey

INDIANASTATEFAIR.COM

• OUR PROGRAM •

Pepsi Coliseum Youth Hockey League is affiliated with USA Hockey. Located centrally in Marion County, the Pepsi Coliseum is on the Indiana State Fairgrounds. Our players come from Marion, Hendricks and Hancock Counties. Many parents agree that the Pepsi Coliseum hosts the most conveniently located youth hockey program for their families.

The season starts in October and ends in March, so the kids get a full season of ice time and an opportunity to learn from coaches and players of the Indiana Ice.

Our program builds the skills, confidence, and sportsmanship needed to learn to enjoy and play at any level your child desires! Hockey is a lifelong sport, with many players continuing to participate recreationally throughout their lives.

• REGISTRATION •

You can register in person at the Pepsi Coliseum Pro Skate Shop or contact us and we will mail your registration materials to your home.
